## Two Great Social Events in April!

### Brothers,

As many of you know, our alumni social calendar is focused on football season, with the spring representing a dry spell. Well, not this year!

Since our Founder's Day (April 10th) fell on a Friday, we decided to take advantage of that opportunity to schedule a social event around it. Our original plan was to have a barbecue at the chapter house, but a few days prior to this event the Office of Fraternity and Sorority Affairs suspended social events at the chapter houses for the remainder of the semester. I had to scramble quickly to find an alternative, but it proved to ultimately be a blessing for us. We changed the venue of our get together to Huey's Knight Club in New Brunswick, which is a short walk from the chapter house. Our host and Knight Club owner Huey Huseeth closed the Knight Club to the public from 6-9 PM. We had approximately 90 brothers in attendance. I don't recall ever having this many brothers at any social event outside of the chapter house. While it was unfortunate that we couldn't accommodate our brothers who were under 21, a great time was had by all. We decided that night that this will become an annual event to be held on the Friday closest to Founder's Day. I am already looking forward to this event next year!

Our second spring event was a tailgate party at the Rutgers Spring Football Game. Since this also was on a Friday night, which is not usually the case, we thought that we should take advantage of the timing of the game. We had

approximately 30 people in attendance at this event in spite of a rather chilly evening, and we featured the party RV from Big Heads of Hillsborough. Talk about traveling in style! The Big Heads staff cooked and provided refreshments for us, and a good time was had by all here as well.

I hope that you all have a great summer, and I am looking forward to seeing many of you at the Rutgers Football Games in the fall.

# Undergraduate Presidential Address

## Hello Brothers,

The Beta Delta chapter of Theta Chi has once again had an exceptional spring semester, and as the weather starts to warm up and our classes wind down, I would like to reflect on all of the positive things that have transpired. To start off I would like to congratulate our 20 newly initiated brothers on completing the pledge process and gaining full membership into Theta Chi Fraternity. These young men

## Board of Directors' Meetings

To make it easier for any of you who wish to take a more active role in our alumni corporation, we have planned our Board of Directors' meeting dates for the next few months. The next three meetings will be as follows:

Thursday, July 2  
Thursday, August 6  
Thursday, September 3

Meetings will generally take place at Rick Winter's house, which is located at 153 Runyon Avenue, Somerset, New Jersey 08873. If you are interested in attending, please call in advance in the event there is a change or cancellation. You may contact Rick Winters at (732) 828-2396 or Glenn Long at (908) 874-7877 (home) or (908) 230-9920 (cell).

have long Theta Chi careers ahead of them and I am certain that they will continue to uphold our legacy as members of Theta Chi and successfully recruit more quality brothers going forward. Before this new member class was initiated they had already accomplished many things as a group; their new member project of making a new bar for our great room came out just short of perfect and their new member paddle was one of the best in years. In addition to what they have done for our brotherhood, our new members all danced in this year's Rutgers Dance Marathon and contributed to the new record of raising over \$690,000 for children with cancer and blood disorders!

One of the aspects of our fraternity that I believe grew significantly this semester was our family and alumni relations. In years past our alumni and family days have been quite underwhelming which gave our new family and alumni chair a lot of room for improvement. This semester we had arguably one of the largest alumni turnouts we've had in years for our Founder's Day Party which was held at Huey's Knight Club. The event worked out very well and brothers from new and old generations had time to bond over some beers and pizza while sharing stories of their times as undergraduate members of the fraternity. On top of the event being one of the best in recent years it was nice that we were able to celebrate with our alumni on the anniversary of the day that we were founded.

Philanthropy has been an important facet of our fraternity that we as a group has strived to improve this semester. Our GI Theta Chi event was the largest gathering we have had at the house and the \$1,800 we raised for our target charity, the USO, was the highest amount we have raised in Beta Delta history. We had an obstacle course that was over 40 feet long, paintball target shooting, and even a dunk tank in the front yard for those who wanted to cool off from the hot sun. Overall Beta Delta has been operating very smoothly and we will continually strive to achieve excellence in all facets of chapter operations. With our 2014-2015 Howard R. Alter Jr. Award for chapter excellence submitted, we at Beta Delta are hoping to get national recognition for our hard work and hope to make our alumni and the greater Rutgers Greek Community proud of our organization.
